Office of the H.L.A.

A revised draft Order is sent herewith.

2. In this case andin the linked case the Companies themselves have asked for reduction of the rate of the surcharge, presumably because the rates on which the calculations were made and the surcharge fixed in Government Order No 6331/3 dated 9th August 1944 are no longer in keeping with the prevailing rates. If on the strength of the reparesentations made by the Cimpanies, Government is satisfied that the calculatons on the basis of which the declared rate was computed and the surcharge fixed are no longer in keeping with the prevailing rates and therefore improper, this would be deemed a sufficient enquiry to justify a revision of the fixed rate under the first proviso to caluse 4 of the Order.
